

TIMBER PRODUCTS INSPECTION, INC.

2013

CERTIFICATE OF MEMBERSHIP

Be it known to all parties that:

Black River Pallet Company

Zeeland, MI

Mill #: (16) 2559

Member Since: December 08, 2005

Is a member in good standing with Timber Products Inspection's Heat Treatment (HT) Program which is accredited by the American Lumber Standard Committee, Inc. (ALSC). The facility is in compliance with the International Plant Protection Committee's ISPM 15: *Guidelines for Regulating Wood Packaging Material in International Trade*. In doing so they have agreed to the following:

- 1) Maintain complete and up to date Heat Treatment and chain of custody records.
- 2) Produce and market quality products, which conform to ALSC standards and regulations including HT standards (56° C at the core for a minimum of 30 minutes) and debarking requirements according to the specified end use.
- 3) Apply the authorized Timber Products Inspection (TP) mark only to products which have been proven through applicable monitoring.

Matthew D. McGowan
Wood Packaging Material Program Manager
